Martin River Bull Moose Hunt Closes

Cordova – Resident registration permit hunt RM164 for antlered bull moose in the Martin River area will close at one minute before midnight on October 29, 2009, by emergency order of the Alaska Department of Fish and Game. Hunters are asked to return permit reports for hunt RM164 to the Cordova area office.

Cordova wildlife biologist Dave Crowley reported that 29 bulls were reported taken as of October 28, 2009. The desired harvest for the registration hunt is 28 bulls. The hunt area includes all of Game Management Unit 6(B). All other moose hunts in Unit 6 are unaffected by the emergency order. Hunters are reminded to return completed harvest reports.
